Abe,

I did some research. Caremark Therapeutic Services was a division of Caremark Inc. It was not a formal "d/b/a". Here is a description that we are comfortable with.

"Caremark Inc., a California corporation, did business as Caremark Therapeutic Services. On April 30, 2007, Caremark Inc. was converted to Caremark, LLC, a California limited liability company. Caremark, LLC, is a wholly owned subsidiary of Caremark International, LLC, a Delaware corporation, and an indirect wholly owned subsidiary of Caremark Rx, LLC, a Delaware limited liability company. Please do not hesitate to contact me if you have any questions.
